WALTHAM WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these timekeepers.

More than 450 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which severe testing by the most skilful artisans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and fastest.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mentioned improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co., - - -	Waltham, Mass.

POOR COLGROVE.

The Governor, by his proclamation, and the *Standard*, by its lachrymose notices of the death of this unfortunate man, have made all North Carolina familiar with the tale of the martyrdom of O. R. Colgrove, late Sheriff of Jones county.

When sorrow and distress come upon a good man, the good will feel for and sympathize with him.

We have lost many good men in our State, recently, but none of them have been so sadly and pathetically mourned by the Radical press, as the martyred Radical saint, Colgrove.

The *Standard* charges us with rejoicing over the death of his departed, good friend, but we did no such thing. We have universally deprecated all lawlessness, burnings, hangings or assassinations, whether committed by the Governor's secret leagues, under the advice of the odious Legislative Address written by Judge Reade and John Pool, or by the Ku Klux.

When the Governor's martyr, Colgrove, was shot, in Jones county, it is said there was great rejoicing among the people, because he had persecuted and oppressed them by making false arrests and then compromising with the parties for money.

There was, probably, rejoicing in New York, where Colgrove was best known, when the news of his death reached there.

A gentleman of this State, being in New York recently, chanced to allude, in conversation, to the murder of Colgrove; the person to whom he was speaking, said he was glad to hear it, for a more unmitigated and infamous rascal than Colgrove never lived or died.

We have in our possession, indubitable proof of the infamous character of the Governor's dear departed Colgrove. We know it is a maxim that we ought never to speak harshly of the dead, and that if we can say nothing good of them, we ought to remain silent. We assent fully, as a general thing, to the propriety of this rule, but there may arise circumstances in which a departure from it may be justified.

What we say of Colgrove now cannot affect him, it is not specially to praise or dispraise him that we write of him, but what we say is intended to call the attention of the people to the Governor, to his administration, and to the sort of men he has seen fit to place in positions to domineer over and oppress the people of North Carolina.

We have in our possession, as we have stated, indubitable evidence of the infamous character of this man, Colgrove, whom the Governor made Sheriff of Jones County, and whose acts of oppression and exaction became so intolerable as to result in his violent taking off, by some unknown hand.

The proof alluded to is an authenticated copy of an indictment against Orson R. Colgrove, dated, Jefferson county, New York, September 3rd 1853. We have the names, composing the Grand Jury that found a true bill against him, and the name of the Judge who presided at the Court.

The indictment charges that Colgrove bought of one LaFayette Hartson, divers gold watches, silver watches, chains, seals, rings, keys, pins, lockets, pens, pencils, silver and plated ware, spectacles, buttons, studs &c., &c., amounting to $2,000, and that he paid for the same in bank bills purporting to have been issued by the "Merchants Bank of Monkato City," in the Territory of Minnesota. Accompanying the indictment, or rather as a part of it, we have three of the bills—a $5, a $3, and a $1,—paid by Colgrove to Hartson, and which are signed by Colgrove, as President. They are well executed and very much resemble money.

On this indictment the Governor's late friend was convicted and sentenced to four and a half years in the Penitentiary.

He fled from the Court and forfeited his bail, and his own father, who was surety for him, sent for him to the State of Ohio and brought him back to New York. We have a certified copy of the requisition issued by Gov. Clark of New York, to the Governor of Ohio, for the delivery of his body and its return to New York. He was brought back and served out the term of his sentence, four years and six months in the Penitentiary at Auburn.

When he had served his time and was released, he applied to the Chief Executive of the State for restoration to citizenship, and was refused!

What became of him from that time until he turned up in Abraham's (Gov. Holden's) bosom, in North Carolina, we have no means of ascertaining. The rest of his acts are written in the memories of the people of Jones, and in the Jeremiads of the *Standard* over his early martyrdom.

We lay the facts before the public and then lay down our pen in despair—we cannot do reconstruction, and the Governor, and his administration justice. When the next edition of the dictionary is issued we may find terms sufficiently expressive; until then we forbear.

For the Sentinel.

TOWNSHIP MEETING.

At a meeting of the citizens of Melville Township, Alamance county, held at Meteneville, on the 14th day of May, 1870,

On motion of H. Scott, Esq., Col. Jos. W. Steel was called to the chair, and Wm. O. Fowler requested to act as Secretary.—Col. Steel, in an appropriate way, explained the purpose of the meeting to be to elect five delegates to the County Convention, to be held in Graham, on the 28th day May, 1870, and to appoint delegates to the Congressional District Convention to be held in Greensboro', on the 26th day of May.

On motion, a Committee of five were appointed by the Chair to draw up resolutions expressive of the views and sentiments of the people of the Township.

The following gentlemen were appointed as the Committee, H. Scott, Esq., Kenneth Rony, Esq., Constant Sellors, Esq., George C. Fawcett, Esq., and Dr. Benj. F. Mebane, who after a short consultation, reported the following preamble and resolutions which were emphatically and unanimously adopted:

WHEREAS, It has been recommended by the Conservative Executive Committee of the State and by many citizens of the county of Alamance, to hold meetings in every Township, for the purpose of effecting a satisfactory organization, of all good people, and of all persons who are opposed to corruption, fraud and bribery in the administration of government; to overthrow and defeat the Radical and fanatical party that has brought ruin, sorrow, dishonor, and disgrace, upon a State that once had a fame, at home and abroad, unsullied and untarnished. And

WHEREAS, we believe it to be not only the privilege, but the sacred duty, at this time of any citizen who loves his country to come out and consult one with another and to give expression to their thoughts and opinions in open convention, and enter their protest against all abuse of power by public officers. And

WHEREAS, by the long silence, forbearance, and seeming indifference of all the good people of our State, the dishonest, corrupt and depraved leading adventurer, and native policy men, made to sell their State and her people for a mess of pottage, have been encouraged and permitted to go to the very extremes of extravagance, corruption and bribery both in making and executing the laws. And

WHEREAS, it has been recommended that each Township appoint five delegates to a County Convention to be held in Graham on the 28th day of May, therefore we the people of Melville Township do

Resolve, 1st. That we are a law abiding and law loving people, that we are a peaceable, quiet, and God-fearing people, that no insurrection, rebellion, nor resistence to any laws exists nor ever has existed in our Township nor in the County of Alamance, that there is not a more peaceable county in the State, that all reports and accounts of outrages committed were drawn from the imaginations of a few bad and evil disposed persons, merely for partisan purposes, who are daily so lashed by their guilty consciences that they see a ghost in every shadow; that no man with the fear of God before his eyes, and the love and welfare of his people and his State at heart, would for such a purpose and such false and malicious representations, issue an official proclamation declaring a whole county of the most peaceable citizens in a state of insurrection, and, when the troops went into our county to quell the so called rebellion and insurrection came among us, associating with us, owning for themselves, declared us to be a quiet, orderly and peaceable people; obeying the laws and ever ready to assist in executing them; the man who is set over us as Governor stills persists in his malicious partisan foolery by keeping a standing proclamation of insurrection in the public journals of the State.

Resolved 2nd. That we do protest against this slander of insurrection and do disapprove of and condemn the course of W. W. Holden in issuing such a proclamation, and in sending troops into our county, and in urging President Grant to suspend the writ of *habeas corpus*, when he well knew that the President had no such right, all done merely to intimidate the people and force them to keep silent, and to hold up and keep together a party that is falling to pieces from its own corruption."

Resolved 3rd. That the public morals show that corruption, fraud and bribery exists in every department of the State government, that the ruling majority of the late Legislature threw every obstacle in the way, and did actually prevent a fair investigation of these many charges, virtually admitting that the charges were true.

Resolved 4th. That the sale of 300,000 acres of the public lands at 16¾ cents an acre, amounting only to $50,000, when the said lands are worth at least $1,000,000, was fraud, and we do hereby condemn and protest against such a sale; that we protest against the appropriation of the School Fund to defray the expenses of the late Legislature, and thus robbing the innocent children of the State, and taking from them what the Constitution of the State has allowed them, and says never shall be taken for any other purpose.

Resolved 5th. That the sale of bonds at 65 cents on the dollar, when they commanded 85 cents, was an imposition upon the taxpayers of the country, and declare such a transaction to be fraud.

Resolved 6th. That the late Legislature by their incompetency and corruption has ruined the credit of the State, and burdened the people with taxation, misapplied and squandered the public funds, and by their profligacy caused the good people of the State to blush with shame at the very name of State Legislature.

Resolved 7th. That it is with regret and sorrow that we see some few men, who once had the confidence and esteem of their countrymen, and who have constantly and earnestly denounced the present Radical party as corrupt and mischievous, and tending to the overthrow of our government, selling themselves with their honor and principles for a small office to such a political party.

Resolved 8th. That we do endorse and approve of the course of Josiah Turner, Jr., in the full and complete exposure of the profligacy and abuse of power of the Radical party, and we call upon every good citizen to stand by and uphold and sustain him in his efforts to reclaim the State from her dishonor; that he has done more to stay the onward cause of Executive, Judicial and Legislative corruption than any one man in the State, and deserves the respect and thanks of the whole people for his manly and independent position.

Resolved 9th. That we believe the present form of State government to be impolitic, expensive and extravagant, and tending to impoverish the whole people by excessive taxation; that we recommend the election of men to the Legislature, who are in favor of so remodelling the Constitution, that we may replace Townships and County Commissioners, with our old system of County Courts and magistrates, and we hereby enter our protest and condemnation against the present system of excessive fees and salaries of public officers.

Resolved 10th. That we are opposed to carpet-bag adventurers, without character in their native homes, holding office or any place of trust, and would respectfully, but earnestly request all such to retire. That we are now ready to welcome among us any man from any quarter who has merit and character, and who comes to be a good citizen in our midst, to all such we say, come and be welcome and we will do you good.

Resolved 11th. That we approve of and heartily endorse the address issued by the Conservative members of the Legislature, as the right thing in the right time and to the point.

Resolved 12th. That in our condemnation of the last Legislature, we by no means reflect upon the Conservative members thereof, they were powerless, but by their position reflected credit and honor upon the State and her people.

Resolved 13th. That we will abide by and support the nominees of our county Convention, and will give no aid nor countenance to any independent 3rd party, moderate or compromise ticket. Let the watchword of the campaign be Radical and Anti-Radical, and we warn all to guard against the tricks of the Radicals to divide our ranks by the false pretense of forming a new party.

Resolved 14th. That we approve of the mode of holding the county Convention and of electing delegates from each Townships to said Convention, and recommend our delegates to select good, honest, wise, common sense men, who are unqualifiedly and without reserve opposed to Radicalism in every shape and form, men of integrity and who are true to their country and their people and who are not willing to sacrifice their honor, their principles, and their self-respect to the tricks of a corrupt party, for gain and for office.

TERRIBLE TRAGEDY IN ASHE COUNTY.

To the attentive friends and correspondents of the *Whig* we are indebted for the following narrative of an occurrence in private life that transpired a few days since in Ashe county, North Carolina, near the Tennessee line. Terrific, rough and fatal as the result of the conflict was, we are assured that the parties participating in it are regarded as good citizens by the people of their immediate vicinity. Each of the parties represented own respectable farms and sustain themselves creditably from the productions of their land.

From the evidence adduced before the Justice, who had the case for trial, we make up this summary:

It seems that the wife of Jas. Davenport became jealous, old as she proves to have been, of a young girl named Kate Jackson, represented as being very lovable:

"Grace was in all her steps, heav'n in her eye, in every gesture dignity and love."

Frequent quarrels and contentions between Mrs. Davenport and Miss Kate had occurred, however, notwithstanding.

On the day of the fatal collision, it appears that Miss Kate Jackson, in company with her married sister, Mrs. DeArmand, passed the residence of the Davenport family. As soon as the sisters were discovered on the road, the Davenports six in number, comprising the mother, three daughters, two of them grown, and two sons, the eldest about eighteen years old, rallied in force, and set out in vigorous pursuit of the defenceless sisters. The trial was continued until the sisters had nearly reached the Tennessee line. Here, the Davenport brothers, by a military movement, strategetically flanked them, and presented a front armed with sticks and stones. This caused Kate and her sister first to halt, and then attempt to retrace their steps. But on attempting to retreat, they were confronted by Mrs. Davenport and the three daughters similarly armed, who demanded Mrs. DeArmand to get out of the way, as they intended to kill Kate. Instead of obeying this military order, Mrs. DeA. made preparations to defend her sister. Young Davenport, the elder son, seeing this opposition to his order, at once let go a stone at her, which took effect on her head, breaking her skull, and prostrating her lifeless on the ground.

The heroic Kate was thus, at the onset of the engagement, left to defend herself. She rallied and maintained her line by indiscriminately hurling upon the attacking party such flinty missiles as came opportune to her. One of these shots took immediate effect upon the elder Davenport boy, slitting one side of his face open and placing him *hors de combit*. Turning her attention, then, to the maternal head of the Davenport family, she directed a stone against her head that inflicted a severe wound and laid her sprawling on the field. This accomplished the hero'c girl slowly fell back to a position where she could supply herself with necessary ammunition. This point obtained, and being still besieged, she again discharged a shot, and another of the Davenport boys wilted—Then the Davenport girls rallied and made a desperate charge upon her with clubs and stones, inflicting serious wounds, but not succeeding in getting her down—Just at this crisis, Kate, hard pressed as she was, and having no time to stoop to gather rocks to defend herself, extricated from her pocket—she had a pocket—a small penknife, measuring about six inches in the blade, and commenced an indiscriminate and very wild and general cutting and slashing at the combined Davenport girls surrounding her.

The result of this fearful phrenzy on the part of Kate was seriously detrimental to the well being of the Davenport females.—Two of them received serious slashes from the insignificant weapon she wielded, one of them dropping on the field from loss of blood let flooding from the knife, and the other so seriously disabled as to be a fit subject for hospital practice.

This unexpected result contributed materially to the immediate withdrawal of the remaining Davenport besieging party, who quietly removed their disabled from the field, leaving the heroic Kate master of the situation.

The casualties sustained in this engagement only amount to the death of Mrs. DeArmand, with the probability that the elder Miss Davenport will also die, and the crippling for life of four others of the Davenport family.

Kate Jackson was less injured than any one engaged in the fight, and was able to carry her dead sister home after the battle closed.—*Knoxville Whig.*

COTTON.—We learn there is a fine stand of cotton in Cumberland County and the farms at present are in good condition. Large quantities of fertilizers have been used.—*Fay. Eagle.*

CORRECTION.—We elected *Mr.* S. D. Wait to a *Captaincy*, yesterday, in noticing his advertising map of Hartford, and made him General Agent of the "Hartford Life," instead of the "Connecticut Mutual" Insurance Company.

Well, if we did not err occasionally we should think we were not human, and if not human we don't know what we should be.

We clip the following paragraph from a recent number of the Religious *Herald*, published in Richmond, Va:

"The Baptist Pastor in Raleigh, N. C. is invited to a large and inviting field in the West."

What do our Baptist friends of Raleigh say to this?

HOME FIRE INSURANCE COMPANY.—This Company had considerable risks on the property recently burned in Henderson; about $15,000, we understand. Our Henderson correspondent says the loss will be reduced, by salvage, to some $10,000; the Company having had an agent on the spot early ever since the fire, think now the actual damage will fall below that sum.

But whatever the amount may be, the Company only await a full report and adjustment, to pay over to insurers the amount of their losses; the money is ready. We commend this promptness to the considerate of insurers.

THE HENDERSON SUFFERERS.—Some of those who suffered by the late conflagration at Henderson have means to begin again, and in time will recover from their losses; but there are others who cannot do this; some are widows with families, and whose whole means of subsistence has been destroyed. They have no outside means, and are bound to suffer unless a sympathizing public shall come to their relief. Will not the towns and cities, and even the country neighborhoods of North Carolina, come forward to their relief? Will not Raleigh do something in that direction? If we are encouraged to do so by our citizens, we will publish a call for a public meeting to take the subject into consideration.

FRANKLINTON ACADEMY.—The exercises of the present session of Franklinton Academy, under the charge of G. W. Neal, Esq., will be closed on the first of June, by declamation by the students, literary address by Maj. B. F. Bullock, Jr., and sermon by Rev. Oscar J. Brent, June 1st.

The opening of next session will be announced in due time.

ICE CREAM SALOON.—Ice Cream, Soda Fountain, tropical fruits, confectionaries, cakes, &c., and other nice things, at Moseley's, of which he will make formal announcement on Monday.

MORE INCENDIARISM.—On Thursday night last, a little after mid night, Mr. Nelson Hunter, residing eight miles from Raleigh, on the Holly Springs road, was aroused by his wife who had discovered that there was a fire on the premises. On going to the door, he discovered that an empty shuck-pen had been fired, and that the flames were communicating by the fence to some larger buildings, among which were his barn and stable. He rushed out to tear away the burning fence, and called back to his wife to bring the stable key that he might get his horse out, in case he could not stop the fire.

As soon as his wife left the dwelling, he saw a negro run to the door and start to go in; he ran towards him, calling his dog, when the negro turned and fled. The dog came up, but instead of going after the negro, jumped on a smaller dog, and while Mr. Hunter was getting him away, the retreating negro threw a stone, with great force which just missed his head. He saw but one person, but heard at least one other, as they went off. The shuck pen and a considerable portion of fence were burned.

We call the Governor's attention to these continued outrages. He seems to be much more quiescent under one sort of lawlessness than under another—although the one leads to the other.

OFFICE OF THE N. C. LAND CO.,
RALEIGH, N. C., May 9-h, 1870.

Mr. Editor:

SIR:—We are in receipt of several letters from capitalists of Europe, asking us to forward them descriptions of some eight or ten large tracts of land, in different parts of the State, containing from 15,000 to 100,000 acres each, to settle colonies on.

Owners of such tracts, who wish to sell, will please forward to our office, description of their land, location, price, terms &c. This company makes no charge for land placed in their hands, unless a sale is made.

A prominent Shipping House of Liverpool writes us to day, asking if we will engage to furnish them with return freight, if they put on a line of Steamers to carry emigrants direct from Liverpool to Wilmington in our State." All they ask is for us to insure them this, and they will put on a steamer at once.

Here is an opportunity offered for us to ship the products of this good old State direct to Europe, without paying tribute to any of our sister States; who will assist us in bringing this about?

The Wear and Tear of Business Life.

The cares and labors of business life are apt to tell severely upon the health and constitution of the ardent, energetic business man, and when the need of some sustaining agent is felt, stimulants that cause only a temporary exhilaration, and leave the system in a state of partial collapse when their first effect has passed off, are too often resorted to. As certainly as fire leaves behind it a residium of ashes, the use of the adulterated liquors of commerce produces premature exhaustion and decay. Touch them not. Tone and regulate the overtaxed vital machinery with Hostetter's Stomach Bitters. In that wholesome elixir, the alcholic element, which is the purest derivable from any source, is tempered by the choicest tonic, aperient, anti-bilious and anti-febrile vegetable extracts and juices. To strengthen, recruit, solace and purify the system is the mission of the great vegetable specific. When the stomach is in a healthy state, the bile flows regularly, the bowels perform their office properly, and the telegraphic nerves of the nervous system are in perfect working order, an enormous amount of labor can be borne without risk or inconvenience, and the direct effect of the Bitters is to promote this vigorous condition of the functions upon which the nourishment of the body, and its power of endurance mainly depend. The great tonic and alterative is, therefore, emphatically recommended for its remarkable strengthening properties, to all upon whom the responsibilities of life press heavily, and who feel like fainting under the burthen. A lively appetite, a splendid digestion, elastic spirits, and a marvellous ability to withstand fatigue, are among the blessings justly ascribed to the renovating operation of this palatable and powerful cordial, and as a spring and summer alterative, there is nothing in the materia medica that can be compared with it.

JONES VS. DOCKERY AND PRICE.—It is rumored in Republican circles, we understand, that ANDREW JACKSON Jones has agents at work in this city and county trying to defeat George Price's chances for the Legislature, on the ground that Price refuses to "play mum" on the Dockery question. We give the rumor for what it is worth, which we learn is about *five hundred dollars!*—*Wil. Star.*

WASHINGTON.

WASHINGTON, May 20—Revenue $997 000.

Supervisor Bridgeland, of Texas, reports that the Grand Jury at that place have found sixty four indictments against parties for revenue frauds. several ex-Revenue officers are among those indicted.

Congress will adjourn July 15th.

Jacobs is confirmed Attorney of the Southern Mississippi district.

The bill to compensate the officers and crew of the Kearsarge for the destruction of the Alabama, appropriating $190,000 out of the Japanese indemnity fund passed.

The contested case of Nenaham vs Ryan, was taken up and discussed up to 2 o'clock, when the House proceeded with business appertaining to the District of Columbia.

A message was received from the Senate, announcing that the House resolution of adjournment had been amended by fixing July 15th instead of July 4th as the day of adjournment. The amendment was unanimously concurred in. A motion to reconsider was laid on the table, thus making the matter definite and final.

SENATE.—The entire day was devoted to the bill enforcing the 15th amendment.

The Commissioner of Internal Revenue has written a very sharp, official letter to a party in Albany, who, it seems, has recently brought a charge against a merchant in that city, of violations of the internal revenue laws, which, upon investigation, proved groundless. The letter takes the ground that these self-appointed detectives and voluntary spies, who make it a business to bring charges against honest men for technical violations of the laws, have no claim to be considered other than disreputable persons. The letter further administers a very severe rebuke to the parties in question.

PENNSYLVANIA.

PHILADELPHIA, May 20.—In the Presbyterian Assembly this morning, the Moderator read a congratulatory dispatch, addressed to the Assembly by the venerable Dr. Knott, who was Moderator of the General Assembly of 1837, at which the memorable schism occurred.

FOREIGN.

HAVANA, May 20—De Rodas has published an order that all slaves belonging to insurgents in the field or in foreign countries, or who have taken up arms or served as guides to Spanish troops or performed any other service for the national cause, are henceforth free.

Insurgent Capt. Mestre fell and some of his followers have surrendered to the Spanish authorities at Puerto Principe.

MADRID, May 20.—Another delegation waited upon Esperiero on Thursday hoping to prevail upon him to accept the throne. It is reported that he persisted in his refusal.

FLORENCE, May 20—Three Italian frigates are cruising around the Island of Caperia to prevent the escape of Gen. Garibaldi to Naples.

The government takes this action because it is known that the sons of Garibaldi are with the insurgents in Southern Italy.

LONDON, May 21.—The following details of the insurrection in Portugal are published to day: Gen. Saldanha having taken the Castle of St. George after a sharp fight, wherein seven were killed and eighty wounded, entered the Palace and immediately resigned his command into the King's hands, who authorized him to form a new ministry. The *Coup d'etat* was participated and sympathized in by the people of Lisbon, Oporto and other cities.

Saturday Evening Dispatches.

WASHINGTON.

WASHINGTON, May 21.—SENATE.—At 7 o'clock this morning, the senate passed the bill enforcing the 15th Amendment, many new and more stringent clauses were added. It goes to the House for concurrence. The final vote was 44 to 8.

The motion denying fees to informers was defeated, yeas 21, nays 23.

On motion of Morton, a section was inserted, making criminal all attempts to influence the votes of control persons by departing them of occupation, or ejecting from houses, land and other property, or refusing to renew leases &c., imposing a fine of $500 and imprisonment of not less than a year for such offences.

An additional section was proposed by *Johnson* and adopted, making organizations of two or more persons to violate this act felonious, and punishable by a fine of not less or more than $5 000, and imprisonment not exceeding 10 years; the offender to be incapacitated and ineligible to office under the United States.

Carpenter, moved an amendment that if any person be deprived of an office, except that of Congressman or State Legislator, by reason of the violation of this act, or by the denial of the right to vote, to any citizen on account of race, color &c., he shall be entitled to hold such office and recover possession of it by *quo warranto*, or other appropriate proceeding in any U. S. District Court, for the proper District or State having jurisdiction; adopted 24 to 22.

TOBACCO MARKET.

PETERSBURG, Va., May 20.—The market moderately active, and prices for some kinds a little lower The breaks continue to be made up mostly of low grades. We quote common poor rags $7,50@8 50; fair to good, $9@10; short leaf, $8 5 to 10,50; medium $11 to 12 50; fair to good $13 to 15. All kinds suitable for wrappers keep in good demand and bring fine prices, but the crop shows but little wrapping tobacco. We quote coal cured $15 to 100, and hardly any offering. Loose shows more decline than priced.

SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE with which all are familiar.

Dose for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THAT ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of one year, and each year thereafter, equals FOUR HUNDRED AND TWENTY-SIX DOLLARS paid at the end of FIVE YEARS, interest at six per cent.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1869.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

CAPITAL STOCK, (PAID UP,) $150,000.00!

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES P. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

UNPREGEDENTED SUCCESS

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs and exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar machine.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is ready TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve* and accumulation must be *held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
